

Please do not change to an LPFM signal or Cincinnati (104.3, 96.9, 102.3) will lose our KLOVE station. I believe the signal becomes weaker during rainy weather, driving along the Ohio River and sometimes a rap station scoots in during broadcasting.

Our area needs this station especially for our childrens sake. My son is 10 and loves this station. It is family friendly and I do not have to worry about the content or a DJ's dirty mouth. The music rocks. Please do not take away one of the few decent things left in public broadcasting.
